Re: 138-77 Queens Blvd LLC v. Silver, No. 22-cv-5155-KAM-MMH

Dear Judge Henry:

We represent the defendant, Scott E. Silver, in the above matter. We write to notify the court that, after further considering the matter, Mr. Silver has agreed to plaintiff's request that the scheduled settlement conference be held in person. For this reason, we request that the settlement conference scheduled for January 27, 2023, be held in-person, if at all possible.

Respectfully submitted,
